SANTA LUCIA HIGHLANDS

2012 PINOT NOIR | Home Vineyard

This wine has aromas that flow out of the glass with hints of ripe red cherries, subtle vanilla toasty oak. On the palette, ripe red berries appear on the front of the mouth and blossom mid-palette before finishing with fine grained tannins and hints of toasty French oak, vanilla and clean, bright acidity. Only 797 cases made

2013 CHARDONNAY | North Highlands' Cuvee

Chardonnay from the Santa Lucia Highlands is always loaded with incredible fruit intensity and rich flavor. Aromas of ripe Bosque pear and pineapple combine with vanilla and brioche. Through the process of "sur lie" aging, the wine has developed a soft texture and medium weight. Flavors of ripe tropical fruits combine with crème brulee and a touch of vanilla and subtle oak.. Only 352 cases made.

2012 PINOT GRIS | North Highlands' Cuvee

Lovely aromas of mandarin orange, pear, and green apple that are lifted out of the glass by its refreshing acidity. In the mouth, the texture given by the lees stirring and barrel aging is unctuous and mouth filling. Apple, pear and citrusy notes blend nicely and the bright acidity keeps the wine clean and fresh on the finish. Only 328 cases made.

2012 SYRAH | Home Vineyard

The 2012 Syrah leaps out of the glass with ripe red fruit and berries mingled with hints of smoky oak and vanilla. These complex aromatics are both subtle and powerful showcasing the elegance of the wine. The palette follows with intense flavors of darker red fruits, hard spices and a core of smooth tannin. Only 316 cases made.

"THE HEART OF THE HIGHLANDS..."

A SENSE OF PLACE:

The Santa Lucia Highlands, one of the New World's prestige addresses for Burgundian varietals.

A SENSE OF FAMILY:

For four generations and almost 100 years, the Manzoni clan have lived and farmed in what is now the SLH appellation.

A SENSE OF PRIDE:

Only six, focused home estate acres; hands-on winemaking and traditional winemaking equals limited production wines of elegance and balance.
